**ASHRAE Student Scholarships**

**John Tamney Memorial Scholarship**

2020–2021 ASHRAE Southern California Chapter Student Scholarships will be granted to a graduating high school senior who has been accepted into a mechanical engineering or engineering technology program at any California college/university or community college. The scholarship grant amount is generally $12,000 for tuition during Fall 2020 and Spring 2021 enrollment.

Applications are due **March 31, 2020**. For consideration by the Chapter, please submit the following documents listed below:

1. Letter of acceptance for California colleges/universities or community college for entry to Mechanical Engineering or Engineering Technology program.
2. Name and location of High School.
3. At least one letter of recommendation from student’s teacher or counselor.
4. Graduating high school transcript with grade point average (GPA) - photo copy is acceptable.
5. Resume of personal interest and academic achievements.
6. Personal data – mailing address, phone, email address.
7. Essay on student’s goals and future life path.

Notice of the award of the scholarship grant will be made at the Chapter meeting on **May 5, 2020** at TAIX French Restaurant (1911 Sunset Blvd., Los Angeles, CA 90026). 50% of funds will be available in Fall 2020, and 50% will be available in Spring 2021.

**Submit all above documentation in electronic form** (PDF or MS-DOC) to the Scholarship Selection Committee members, listed below, by **no later than March 31, 2020**.

one or more related course.
4. Submit a short essay (two pages or less) on “What key element of your engineering education has prepared you for a career in heating, refrigeration, and air conditioning industry.” The essay will be a major factor in the selection process. It will be judged on the basis of originality, knowledge of the industry, correlation between student’s background and objectives, structure of thoughts, and logic of conclusions.

Applications for all three categories of scholarships are due March 31, 2020. For consideration by the Chapter, the student should submit the documents listed below:

1. Letter of Recommendation from Dean or Department Chair
2. Photocopy of last semester/quarter college/university transcript showing full-time student status (12 units or more) and meeting the minimum required GPA.
3. Complete resume of completed courses, work experience, and general interest.
4. A short essay if applying for any of the scholarship categories requiring it as described above.

The Chapter’s Scholarship Committee members will base their final selection on a personal interview of the candidates to be held between mid-April and early-May 2020 at a location to be selected. Please note that the interview is the single most important criterion in the selection process and we encourage the student to be well prepared with all necessary documentation, including transcripts and letters of recommendation. The Scholarship Committee Interviewers will be evaluating the general character and presentation of the applicant, verbal communication skills, interest/knowledge in HVAC&R industry, and financial need.

Notice of the award of the scholarship grant will be made at the Chapter meeting on May 5, 2020 at TAIX French Restaurant (1911 Sunset Blvd., Los Angeles, CA 90026). Funds will be available in fall of 2019.

Submit all above documentation in electronic format (PDF or MS-DOC) to the Scholarship Selection Committee members, listed below, by no later than March 31, 2020.
